

Introducing BAYEDE! to CTGA

Mr Peter Fisher of the Cape Tourist Guide Association invited **BAYEDE!** to introduce to their members the wines that are 'By Appointment' to the Zulu Royal family, at their monthly meeting.

This meeting was held at the Chavonnes Battery Museum situated adjacent to the Clock Tower precinct in the Waterfront.

BAYEDE!, sponsorship for Miss Winelands Competition

The Miss Winelands Competition held in August is about girls with radiant looks and empathy for the less fortunate: "Beauty with a purpose"

The competition raised funds for Miqlat Bowy House, a safe haven for babies and small children infected or affected with HIV and AIDS. **BAYEDE!** sponsored T-shirts worn at the occasion, and in so doing, created jobs for the unemployed.
